Green River College does not discriminate on the basis of race, creed, color, national origin, sex, sexual orientation, age, marital status, religion, disability, genetic information or on any other unlawful basis. The college is committed to preventing and stopping discrimination, including harassment of any kind and any associated retaliatory behavior. The following person has been designated to handle inquiries regarding the non-discrimination policies: Vice President of Human Resources, 12401 SE 320th Street, Auburn, WA 98092-3622, (253) 288-3320. To receive this information in an alternate format, please contact Disability Support Services at (253) 833-9111, ext. 2631; TTY (253) 288-3359.

Green River College has made reasonable efforts to provide information that is accurate at the time of publication. However, the college reserves the right to make appropriate changes in procedures, policies, calendars, requirements, programs, courses, and fees. When feasible, changes will be announced prior to their effective dates, but the college assumes no responsibility for giving any particular notice of such changes. Nothing herein shall be construed to create any offer to contract or contractual rights.

Limitation of Liability: The college’s total liability for claims arising from a contractual relationship with the student in any way related to classes or programs shall be limited to the tuition and expenses paid by the student to the college for those classes or programs. In no event shall the college be liable for any special, indirect, incidental, or consequential damages, including but not limited to, loss of earnings or profits.
Prime Time Institute is a program for active adult learners. Members enjoy stimulating, intellectual learning through short non-credit courses, discussion groups, social activities, and educational tours. With college administrative support, the members are the driving force behind the program and participate in providing suggestions for future classes, instructors, topics of interest, and educational tours.

Membership is open to adults ages 55 and older. Yearly membership fee is $45 per person and entitles you to a discount on Prime Time classes and other benefits. If you are not a member, you are still welcome to attend at the non-member class fee.

Prime Time Membership Benefits
- Interesting short-term classes and educational tours at a lower cost than non-members
- Membership socials, luncheons, and guest lectures
- Special invitations to campus lectures and programs at no charge
- 10% discount on most Continuing Education courses

Bellevue Arts Museum
Featured Exhibit: Atoms + Bytes: Redefining Craft in the Digital Age
Tuesday, June 21 • 10:15a – 2:00p
Location: Meet bus at Family of Grace Lutheran Church
31317 124th Ave. S.E., Auburn
Today’s makers have access to a wider array of tools, materials, and processes than ever before. Digital methods such as scanning and imaging, coding, CNC-milling, and rapid prototyping not only influence the way objects are designed, manufactured, and distributed, but also change the terms of our relationships with them. This docent-led tour of the “Atoms + Bytes” exhibit showcases works by 30 artists, craftspeople, and designers using cutting edge digital tools to develop innovative ways of making and defining “hand-made.” Bottled water provided. Bring a snack to eat on the drive back.

Member Fee: $35   (Register for P310)
Non-Member Fee: $45  (Register for P315)

Science Dome and Planetarium at Pierce College
Tuesday, July 12 • 9:15a-1:15p
Location: Meet bus at Family of Grace Lutheran Church
31317 124th Ave. S.E., Auburn
Reach for the stars at the South Sound’s premier digital planetarium. This 58-seat facility has a 38 foot dome-shaped screen that allows visitors to view the night sky. We will be viewing 3 different productions: experience the Aurora Borealis as you’ve never seen it before, going inside NASA where we’ll feel the excitement of space missions, and a simulated flight to a super-massive black hole lurking at the center of our Milky Way Galaxy. Bottled water provided.

Member Fee: $45   (Register for P320)
Non-Member Fee: $55  (Register for P325)

UW Botanic Gardens
Thursday, July 28 • 9:15a-2:00p
Location: Meet bus at Family of Grace Lutheran Church
31317 124th Ave. S.E., Auburn
This docent-led bus and walking tour will allow us to explore Washington Park Arboretum’s Pacific Connections Garden. In this garden you will find amazing plants from five countries connected by the Pacific Ocean: Australia, Chile, East Asia, Himalayas, and New Zealand. These and many more native plants are found in the meadow, garden vignettes, and forests that make up this twelve-acre garden. Bottled water provided. Bring a snack to eat on the drive back.

Member Fee: $35   (Register for P330)
Non-Member Fee: $45  (Register for P335)

The Political Mind
Tuesday, August 9 • 9:00-11:00a
Location: Kent Campus, 417 Ramsay Way
Instructor: Rich Elfers
Why do voters vote the way they do, and what does this mean for the November election? Learn what drives the voter’s decision-making process. We’ll discuss the Reagan Narrative, its strengths and weaknesses, and how it has motivated the Republican Party since the 1980s and why the Democrats have no competing narrative.

Member Fee: $20   (Register for P340)
Non-Member Fee: $30  (Register for P345)

Venezuela in Crisis
Thursday, August 25 • 9:00-11:00a
Location: Kent Campus, 417 Ramsay Way
Instructor: Rich Elfers
Venezuela is in crisis on many fronts: politically, economically, and socially. Falling oil prices coupled with 141% inflation is setting the stage for massive social upheaval. Oil prices have plummeted, crippling the government’s ability to pay its debts and to avoid financial default. Opposition parties now control the legislature and oppose the current President. Learn how all this could impact Venezuela and Latin America.

Member Fee: $20   (Register for P350)
Non-Member Fee: $30  (Register for P355)

Business And Professional Development

**Project Management**

**PMP® And CAPM® Exam Prep**
Project management certification is in great demand. Certified project managers have more job options, are paid well, and turn great ideas into reality. This course will prepare you to take the Project Management Professional (PMP®) or Certified Associate in Project Management (CAPM®) tests and pass them! Our classes are informative, interactive, and filled with test-taking tips and techniques created to ensure your success. See website for prerequisites and required textbook. CEUs: 2.1. PDUs: 21 • Fee $599

Y900  D. Yeomans  Kent  Tu, Th  6:00-9:00PM
Class begins 6/21/2016 and ends 7/12/2016. No class 7/5/16.

**How To Start A Small Business**

**Start A Successful Business (4 Class Series)**
Take the series of four small business start-up classes listed below for a savings of $67. Instructor provides an overview of the essential components for starting a profitable small business. CEUs: 1.2 • Fee $169

Y901  K. Davis  Kent  W  6:00-9:00PM
Class begins 7/6/2016 and ends 7/27/2016

**Business Start-Up And Management**
This class will help you plan the start-up of a new business. Learn strategic and tactical keys to success such as assessing your resources, identifying your business personality, developing your concept, protecting your assets through proper business structure, and understanding the necessary licenses and taxes. The entire process is built into a start-up map that you can follow step-by-step. CEUs: .3 • Fee $59

Y902  K. Davis  Kent  W  6:00-9:00PM
Class begins 7/6/2016 and ends 7/6/2016

**Business Marketing**
Learn the basics of making strategic marketing decisions and building an integrated marketing plan. Utilizing a practical and repeatable process, you’ll learn about important concepts such as pricing, distribution, messaging, and message delivery—and how to base all of those decisions on your customer profile, product advantages, and competition. CEUs: .3 • Fee $59

Y903  K. Davis  Kent  W  6:00-9:00PM
Class begins 7/13/2016 and ends 7/13/2016

**Business Financial Mangement**
Effective financial management is your key to small business success. Learn to read basic financial statements and concentrate on your key financial priorities. Understand how to use the cash-flow cycle to your business’ advantage and utilize important benchmarks for maximizing your daily results. This class is crucial to your small business education. CEUs: .3 • Fee $59

Y904  K. Davis  Kent  W  6:00-9:00PM
Class begins 7/20/2016 and ends 7/20/2016

**Developing A Business Plan**
This hands-on session is designed to help you create a working business plan for starting or managing your business. Through engaging writing exercises and group brainstorming, you’ll take your business ideas further than you thought possible. While traditional business plan formats will be discussed, the focus of this class is to help you develop and sharpen your own business ideas to give you the greatest chance of success. CEUs: .3 • Fee $59

Y905  K. Davis  Kent  W  6:00-9:00PM
Class begins 7/27/2016 and ends 7/27/2016

**Managing Conflict In The Classroom**

3-Day Workshop
8:30 a.m. – 5 p.m.

July 6, 7, 8 or August 16, 17, 18

24 hours – 2.4 CEUs

This workshop is designed for K-12 teachers who want to improve classroom management skills, find better options for managing disruptive students, and learn new ways to handle conflict while utilizing “restorative dialogue”.

COMING SOON!

**Project Management Certificate Level 1**  Fall Quarter

**HR Generalist Certificate**  Fall Quarter

Small Business classes are partially funded by the U.S. Small Business Administration.
Microsoft Word 2013 Level 1
Create professional looking documents, and have fun doing it! Topics include identifying components of the Word interface; creating new documents; finding, selecting and modifying text; formatting text and paragraphs; adding tables; managing lists; inserting graphic objects; applying design and layout options to pages; using proofreading tools; and customizing the Word environment. Prerequisite: basic computer skills, including Microsoft Windows proficiency. Text included. CEUs: .7 • Fee $139

Y913  G. Larson Kent F  8:00AM-4:00PM
Class begins 7/8/2016 and ends 7/8/2016

Microsoft Outlook 2013
Utilize Outlook 2013 to manage your email communications, calendar events, contact information, tasks, and notes. Topics include composing email messages; attaching files; reading and responding to email; managing and organizing email; scheduling appointments and meetings; creating, managing and updating contact information; scheduling tasks; creating notes; and customizing the Outlook environment. Prerequisite: basic computer skills, including Microsoft Windows proficiency. Text included. CEUs: .7 • Fee $139

Y912  G. Larson Kent Tu, Th  5:30-9:00PM
Class begins 6/28/2016 and ends 6/30/2016

Microsoft PowerPoint 2013
Capture your audience’s attention by using the vast array of features in PowerPoint 2013! In this course, you will gain the ability to organize your content, enhance it with high-impact visuals, and deliver it with a punch. Topics include developing a PowerPoint presentation; performing advanced text editing; adding graphical elements; modifying objects; adding tables and charts; and delivering your presentation. Prerequisite: basic computer skills, including Microsoft Windows proficiency. Text included. CEUs: .7 • Fee $139

Y913  G. Larson Kent F  8:00AM-4:00PM
Class begins 7/8/2016 and ends 7/8/2016

Microsoft Excel 2013 Level 1
Gain the foundational understanding of Microsoft Excel 2013 that’s necessary to create and work with electronic spreadsheets. Topics include navigating a worksheet; entering and editing data, including formulas; entering functions and modifying and formatting worksheets. You will also learn how to create and format charts, add graphics, work with conditional formatting, create templates and print worksheets. Prerequisite: basic computer skills, including Microsoft Windows proficiency. Text included. CEUs: .7 • Fee $149

Y910  G. Larson Kent Tu, Th  5:30-9:00PM
Class begins 7/12/2016 and ends 7/28/2016

Microsoft Excel 2013 Level 2
Build upon your foundational knowledge of Microsoft Excel, and learn how to extract actionable data. Topics include viewing and printing large worksheets; linking worksheets and workbooks; constructing 3-D formulas; advanced formatting; sorting and filtering data; working with tables; outlining and consolidating data; saving workbooks as web pages; using hyperlinks; auditing and protecting data; using templates and much more! Prerequisite: Microsoft Excel Level 1 or equivalent experience. Text included. CEUs: .7 • Fee $149

Y911  G. Larson Kent Tu, Th  5:30-9:00PM
Class begins 7/12/2016 and ends 7/21/2016

Microsoft Excel 2013 Level 3
Get the most from your Excel experience and unleash your power! Topics include constructing advanced functions and formulas; using lookup functions; validating cell entries and advanced filtering; creating data tables; advanced charting; working with PivotTables and PivotCharts; exporting and importing data; utilizing analytical tools, including creating scenarios and using Goal Seek; running and recording macros; and much more! Prerequisite: Microsoft Excel Level 2 or equivalent experience. Text included. CEUs: .7 • Fee $149

Y914  J. Minnis Kent F  8:00AM-4:00PM
Class begins 7/22/2016 and ends 7/22/2016

Microsoft Publisher 2013
Learn how to create, format, edit and share publications utilizing Publisher 2013. Whether you’re designing newsletters, certificates or marketing materials, Publisher makes it easy! Topics include creating a publication; adding content; organizing text boxes and picture placeholders; applying building blocks; formatting text; applying themes; editing text; adding graphics; and saving, printing and sharing a publication. Prerequisite: basic computer skills, including Microsoft Windows proficiency. Text included. CEUs: .7 • Fee $139

Y914  J. Minnis Kent F  8:00AM-4:00PM
Class begins 7/22/2016 and ends 7/22/2016

Microsoft Access 2013 Level 1
Establish a foundational understanding of Access 2013 in this Level 1 course. Topics include creating a simple database; organizing and managing data stored within Access tables; using queries to join, sort and filter data from different tables; creating advanced queries; creating and formatting custom reports; and customizing Access configuration options. Prerequisite: basic computer skills, including Microsoft Windows proficiency. Text included. CEUs: .7 • Fee $149

Y907  J. Minnis Kent F  8:00AM-4:00PM
Class begins 7/29/2016 and ends 7/29/2016

Get the most out of your class!
Bring your USB flash drive to computer classes, so you can save your files for review outside of class. Not all classes have downloadable files.
Computers/Online Learning
For off campus locations, see page 15.

**QuickBooks**

**QuickBooks For Small Business Level 1**
Learn about the tasks necessary for mastering the essentials of QuickBooks. Topics: setting up a company and chart of accounts; differences between balance sheets and profit and loss statements; creating customer invoices, credit card transactions and sales tax; exploring vendor bill payment methods; QuickBooks banking, transaction types and reports; and discussion of Washington State case studies. Prerequisite: Students should know basic business practices and have Microsoft Windows proficiency. Text included. CEUs: 1.2 • Fee $249

Y916  M. Bagocius  Kent  M, W  6:00-9:00PM
Class begins 7/18/2016 and ends 7/27/2016

**Web & Graphic Production**

**Photoshop Level 1**
In this introduction to Adobe Photoshop, you will learn the fundamentals of this powerful image editing program. Topics include menu basics; tools; palettes; resolution; graphic types; working with selections; layers; enhancing images with paint and filters; image modes; and color adjustments. By the end of class, you will have mastered the basics and be ready to take your Photoshop skills to the next level. Prerequisite: basic computer skills and proficiency using Windows 7. Text included. CEUs: 9 • Fee $239

Y917  J. Minnis  Kent  M, W  6:00-9:00PM
Class begins 8/1/2016 and ends 8/8/2016

For off-campus locations, see page 15.
NEW! **Make Your First 3D Video Game!**
Try this new version of a Black Rocket classic! This class allows you to develop a game concept that goes well beyond the limitations of the traditional 2D game design classes. You will learn the physics behind 3D games, explore beginner event scripting, level design, controlling flow of gameplay, and storytelling. See website for camp details. Two age groups: 8-10 and 11-14.

NEW! **Minecraft Animators**
Bring your favorite Minecraft characters to life in an animated short film! Learn how studios like Pixar and Disney make movies like *Inside Out* and *Frozen* through techniques like keyframing, tweening, texturing, and animating rigged 3D models! See website for camp details. Two age groups: 8-10 and 11-14.

NEW! **Minecraft Designers**
If you love the game Minecraft, but always wanted to design your own characters and buildings, this class is for you! Learn the basics of creating 3-D models, designing your own objects, creating skins for characters and importing them into your favorite Minecraft games. See website for camp details. Two age groups: 8-10 and 11-14.

NEW! **Minecraft Modders**
Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mod! Introductory coding will also be taught through a simulated environment inspired by Minecraft. See website for camp details. Two age groups: 8-10 and 11-14.

NEW! **LEGO Video Games**
Combine your two favorite activities: LEGOs and video games! You will create your own LEGO characters and adventures in an interactive 2D video game. At the end of the program, you will have a finished LEGO video game that can be shared with friends and family. See website for camp details. Two age groups: 8-10 and 11-14.

NEW! **Code Breakers**
Calling all future coders, programmers and designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges. Whether you want to be the next Mark Zuckerberg or the high school student who made millions programming in your basement, this course has the essentials you need to begin your journey! See website for camp details. Two age groups: 8-10 and 11-14.

NEW! **Crime Scene Investigation Camp**
Calling all amateur detectives and sleuths! Join us at our new Crime Scene Investigation Camp and learn the basics of crime scene investigation and protocol. You’ll investigate a (faux) crime scene and interview first responders and witnesses; examine the layout; document the evidence; and process the scene, including collecting and analyzing fingerprints, blood evidence, and hair and fibers. If you’re lucky, you may even solve the crime! Ages 11-14.

**Babysitting Responsibly**
Designed for the 11-16 year old, this class will provide an opportunity to learn the basics of how to care for and entertain children in a babysitting situation. Topics include: home and child safety, what to do in an emergency, how to get babysitting jobs, and great ideas to keep the kids busy. Please bring pencil/pen and a snack/lunch to class.

**App Attack!**
Take the first steps into the world of mobile app design and customize your own game app! In this exciting class, you’ll explore the world of web-based apps, learn the basics of mobile app design and game development, and see firsthand how the world of app publishing functions. See website for camp details. Two age groups: 8-10 and 11-14.

Lifelong Learning
Creative Arts & Crafts

Calligraphy: Monoline Lettering
Learn contemporary lettering styles that can be done with just a gel pen. These fonts have many uses and make anything you create uniquely beautiful and creative. All supplies included. For all skill levels; minimum age 12-14 (registered with an adult). CEUs: .2 • Fee $25
Y100  N. Anderson  ZWC-105  Tu  6:30-8:30PM
Class begins 7/12/2016 and ends 7/12/2016

Elegant Embossing
Embossing is the shaping or carving of letters and patterns so that they are raised above the surrounding surface. In this class you will learn how to create various raised designs on paper. Minimum age 14 (registered with an adult). Bring an X-Acto knife with a new #11 blade; all other supplies provided. CEUs: .25 • Fee $25
Y110  N. Anderson  ZWC-105  Sa  9:00AM-12:30PM
Class begins 7/9/2016 and ends 7/9/2016

Intricate Pop-Up Cards
Learn how to create those amazing hand-cut 3-D structures, animals, flowers, and other designs that “pop-up.” They are fun to make and people will want to keep them! Make several and come away with patterns you can make on your own. Minimum age 14 (registered with an adult). Bring an X-Acto knife with a new #11 blade; all other supplies provided. CEUs: .25 • Fee $25
Y105  N. Anderson  ZWC-105  Sa  9:00-11:30AM
Class begins 7/16/2016 and ends 7/16/2016

Chillin’ With Pencils
Turn off the stress and troubles for a couple hours as you learn to scribble and sketch with meditative intention using a variety of drawing tools. Artist Phil Jensen will help you tap into your creative process in this “don’t worry...be chillin’” workshop. No prior art experience required, all supplies provided. Just come and relax! CEUs: .25 • Fee $25
Y135  P. Jensen  ZWC-104  Sa  9:30AM-12:00PM
Class begins 7/30/2016 and ends 7/30/2016

The Art Of Drawing Faces
Enjoy drawing? Find faces interesting? Come join this fun class! Learn the basic facial structure and how a little movement can alter the look and mood. Focus on 3 key areas of the face: the forehead and brows, the eyes, and the chin and mouth. Create lively and pleasing portraits using illustrations and family photos. We will use charcoal, graphite, and other basic materials. CEUs: .6 • Fee $75
Y130  C. Parker  ZWC-107  W  6:30-8:30PM
Class begins 8/3/2016 and ends 8/17/2016

Watercolor Painting Techniques
The enjoyment of watercolor begins with learning how to handle the medium—the paint, the paper, and the brush. We’ll explore traditional and experimental watercolor techniques. Class includes discussion, evaluation of works in progress, and the fundamental aspects of recognizing shape, value and contrast. All levels welcome. CEUs: 1.4 • Fee $125
Y115  P. Jensen  WT-16  W  6:30-8:30PM
Class begins 7/13/2016 and ends 8/24/2016

Veil Painting: Light, Color And Darkness
Experience a painting style that’s more about the process than it is about the end outcome. Veil painting is a technique for painting from the unconscious. It’s often abstract, but beautiful in the subtle shapes and hues that arises out of the color itself. Create artwork that progresses and develops spontaneously and organically as you add layers of colors. No previous painting experience required. Materials included. Bring a hair dryer for speed drying as you add each veil of color. CEUs: .3 • Fee $39
Y120  P. Jensen  IVA-103  Sa  9:00AM-12:00PM
Class begins 7/23/2016 and ends 7/23/2016

Exploring Water-Soluble Oil Painting
This versatile and comfortable medium offers approaches in exploring its beauty and fun while eliminating harmful and hazardous volatile solvents. Get to know the brush and medium as you learn about color step-by-step in your painting expression. Materials list provided upon registration. CEUs: 1.4 • Fee $125
Y125  P. Jensen  WT-16  M  6:30-8:30PM
Class begins 7/11/2016 and ends 8/22/2016

Handcrafted Jewelry-Making
Amaze your friends with gorgeous creations! Taught by an award-winning jewelry designer, you’ll receive hands-on instruction and demonstration of basic techniques that will teach you about tools and types of materials, beads, gemstones, crimping, findings, and color theory to produce designs you will love. Each week covers a particular skill and produces a finished product. CEUs: 1.0 • Fee $99
Y160  H. Poortvliet  ZWC-107  Tu  7:00-9:00PM
Class begins 8/2/2016 and ends 8/30/2016

Introduction To The Art Of Metal Sculpture
Impress your friends and family with your unique artwork! Explore the basics of constructing beautiful metal sculptures for hanging or display. You will learn how to use welding and fabrication processes, heat coloring on metal, and techniques for using different types of abrasives. You may choose a project from ideas provided by the instructor or use your own design (by instructor permission). Bring safety glasses and leather work gloves to class. Materials included. CEUs: .9 • Fee $145
Y155  J. Olsen  TT-603  Sa  3:00-6:00PM
Class begins 7/9/2016 and ends 7/23/2016

Digital Photography: Level 1
Move beyond the “auto” mode of your digital camera and take great photos in any situation! Through this basic hands-on course, you will explore modern photography in simple, real-world terms. You will learn about exposure, shutter speed, focus, flash, aperture, depth of field, ISO, and much more. Class requirements include a digital camera (and user guide) that is capable of full manual control. CEUs: 1.4 • Fee $129
Y140  G. McCutcheon  SH-252  Tu  6:30-8:30PM
Class begins 7/12/2016 and ends 8/23/2016

Digital Photography: Level 2
Go beyond the basics! This class includes how to work with RAW images, advanced camera controls (exposure lock, spot meter, exposure compensation, advanced flash), when to use manual controls, shooting for HDR, retouching images in Lightroom or Photoshop, and composition. Outdoor shooting labs included. CEUs: 1.4 • Fee $129
Y145  Staff  SH-258  Th  6:30-8:30PM
Class begins 7/14/2016 and ends 8/25/2016

Fused Glass Tiles
This lively 4-hour class is a fun way to learn the basics of glass fusing. Students will learn to cut, design, and fire up to 4 colorful glass tiles or coasters. A $125 material/firing fee paid to instructor. Project pick-up on Sunday. Classes held off-campus at Blue Dog Art Studio. CEUs: .4 • Fee $79
Y150  D. Wendt  Blue Dog  Sa  9:00AM-1:00PM
Class begins 7/23/2016 and ends 7/23/16

Money Matters

How To Be An Executor Of A Will
Have you been named as an estate executor of a relative or friend? Learn about your liabilities and responsibilities. This presentation is taught by an experienced lawyer who will provide an overview of the legal rights and responsibilities of an executor and explain the gathering of estate assets, paying the debts, distributing the funds to beneficiaries, and administration of the estate. CEUs: .25 • Fee $39

Wills & Legal Documents We All Need
Wills, Power Of Attorney, Health Care Directives, Appointing Guardians for your children—what are these and why are they important to you? While not always pleasant to think about, having a will or a legal plan can save your family heartache and pain. Whether you plan to work with an attorney or use one of the do-it-yourself software programs available, having knowledge of what to include, how to prepare, and what the legalese means will make the process easier. We’ll also cover making changes, revocations, and more. CEUs: .25 • Fee $39

Outdoors

For outdoor trips, cancellations are required 48 hours prior to the first day of class. Call (253) 833-9111, ext. 2535.

Fly-Fishing Puget Sound Beaches
Sea-run cutthroat, silver salmon, blackmouth, and migrating salmon in season are available year-round and are all taken on flies from beaches all over Puget Sound. In session one, we’ll discuss tackle, equipment, fly-lines, tides, and productive beach locations. Second session will be held on a local beach (TBA in class). Bring your own equipment or reserve from instructor. CEUs: 6

Summer Steelhead Gear Fishing Tactics
You don’t have to stand in icy cold water freezing to death to catch the Northwest’s premier sport fish. Summer Steelhead opportunities are alive and well both locally and regionally. In the classroom session learn about tackle and equipment, essential lures and baits, and where to go for success. Class includes a resource guide loaded with information about summer steelhead and fishing opportunities. Optional outing to a local river for hands-on instruction and fishing. Rod, reel, and line sets can be rented from instructor for $10.

Writing

Writing For Children And Getting Published
If you’ve ever thought about writing children’s books, this class will help you get started. As a beginning writer, you’ll learn how to get ideas and turn them into stories as we discuss plot and character development, story structure, view point, dialogue, where and how to market your work, and how to get published. You’ll walk away with tips and tools to start your hobby or career as a writer for children. Short writing exercises included. CEUs: .5 • Fee $59

Crafting The Story: Short Story And Novel Writing
Do you know why we are drawn to books like The Hunger Games, The Kite Runner or The Da Vinci Code? It’s more than the storyline. Learn what it takes to craft a compelling story by building strong characters, a unique voice, a sense of place, and a fully-drawn, conflict-driven story arc. CEUs: 1.0 • Fee $115
